

I am writing to protest Sinclair Broadcasting's airing of "Stolen Honor" right before election day. This "documentary" is clearly anti-Kerry and should be matched with a pro-Kerry film like "Going Upriver" soon after--but before election day.

The airwaves are public property. Sinclair Broadcasting should respect FCC regulations! I protest Sinclair Broadcasting's one-sided corporate decision and the fact that they are forcing their stations to show "Stolen Honor." This is not democratic and I am sure it is illegal.

Thank you,
